County: Harris, TX

**NETWORK:** Managed DentalGuard - TX  
**Provider Type:** No Preference  
**Specialty:** No Preference

Thank you for using Guardian's Provider Online Search. This directory lists the providers who met your criteria. This listing is intended for reference only and is subject to change without notice. We encourage you to contact the provider's office directly to confirm location and verify their network status.

You will choose a Primary Care Dentist (PCD), who will provide the majority of your dental care services. Your assigned PCD will be the one you will contact for dental health issues, preventative care and/or routine treatment. Your PCD is part of the Managed DentalGuard (MDG) network of dentists who work together to provide a full range of dental care.

You will not be able to see any other dentist (including specialists) without prior written authorization from your PCD. All of your dental care will be provided, or arranged for by your PCD. If you wish to change your PCD assignment, call Member Services to request a transfer. Any such change will be effective on the 1st day of the month following MDG approval. All fees and patient charges due the member's current PCD must be paid in full prior to transfer.

Visit us online at [www.GuardianLife.com](http://www.GuardianLife.com) for more information or contact Member Services for assistance. To obtain specific plan benefit information, log on securely to [www.GuardianAnytime.com](http://www.GuardianAnytime.com).
